

Karen Creith

presents her very

First Live Webinar Home Decorating 101

Have you ever wondered how designers and decorators create amazing rooms and spaces time and time again ?

They never, ever get it wrong do they?

And there is a very simple explanation for this because they know the steps to creating decorating magic.

And by the end of this webinar you will have learnt the tips and tricks they use to make sure you can create stunning results yourself each and every time!

Learn all the secrets in a fun and easy session where you are free to interact and ask questions throughout as Karen shares her favourite decorating do's and don'ts.

By the end of this exciting webinar you will have learnt:

- How to decorate to scale
- How to find a cohesive inspiration piece to link a project together
- How to know what your decorating style is and how to make it work for you.
- Simple tips and tricks to create styling magic each
